

***ORDER PAPA JOHN'S PIZZA & SUPPORT JA!**

Help us achieve \$500,000 in donations for 2008

Through October, 2008, Papa John's has donated nearly \$350,000 to local Junior Achievement (JA) Chapter offices. Our goal is to reach \$500,000 in donations by Dec. 31 for 2008. Please support the JA students in your home town while helping us reach our goal.

To help us reach our goal, Papa John's is now offering an "online catering coupon" which will feed 16 people. This coupon is the perfect compliment to the existing JA coupons targeted to families and found online at www.papajohns.com.

Local Papa John's restaurants will donate \$8 to the local JA Chapter office each and every time a JA coupon is redeemed. To get started, please visit www.papajohns.com; click "order online" at the top of the page; log in or create a new account; and then select one of the JA coupons at the top of the menu. Thank you!
